

TROOP 8317

BSA BOAT PROGRAM

About the summer BSA Boat Program.

Troop 8317 will be offering a watercraft-based Merit Badge program that will be available to all registered Boy Scouts. The BSA Boat Program will provide Scouts with the opportunity to earn both the Rowing and Small Boat Sailing Merit Badges. We will begin June 9th with a BSA Swim Test and meet every Saturday for 2.5 hours through August 18th. There will be make up days for Scouts who are unable to make all the Saturday dates! All Scouts must pass the BSA Swim Test and be dual registered with their primary troop and Troop 8317. For more information please email 317bsatroup@gmail.com.

Prepared. For Life.®
