# Northern Regional Camporee 2020

## District Registrar Greeting

Welcome to the Tri-District Northern Regional Camporee for 2020. This year's theme is "*Scout Olympic Games*" and will be inspired by the spirit of real Olympic competition. We are excited to gather at Skyline Park in Napa where units can participate in good-natured competition highlighting their scouting skills. We have many staff members to assist us in making this a successful event.

Please have your Unit Registration forms completed and turned in by the April Roundtable on April 9, 2020. We'd like to get an idea on how many units to expect. There will be more information for you by that time. If you do not have your full registration ready at that time, submit what you can, and we will make special arrangements to complete the check-in on site.

This Registration Packet contains the Registration Form for registering your unit for the Camporee. The camp staff will use this information to plan the event.

The Competition Judging Packet contains the Unit Competition Form, the Scouts BSA and Webelos Uniform Inspection judging guidelines, Patrol Flag judging score sheet, Campsite Inspection score sheet, Campsite Gateway score sheet, the Troop Cooking Contest instructions page, and the Webelos Dessert Contest rules page.

We are looking forward to a good turnout and your scout spirit will make this a memorable Camporee. If you have any questions, ideas, or concern, please don't hesitate to call or email your District representative.

Submit your Unit Registration Form to your District Representative by April 9th to receive a bonus of 100 points.
